Important Questions	Answers	Why This Matters:
What is the overall deductible?	\$500/individual or \$1,000/family for In-Network Providers. \$1,500/individual or \$3,000/family for Out-of- Network Providers.	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .
Are there services covered before you meet your deductible?	Yes. <u>Preventive care</u> for In- <u>Network Providers</u> .	This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain preventive services without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
Are there other deductibles for specific services?	Yes. \$100/individual or \$200/family for Prescription Drug. There are no other specific deductibles.	You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.
What is the <u>out-of-pocket limit</u> for this <u>plan</u> ?	\$3,000/individual or \$6,000/family for In-Network Providers. \$6,000/individual or \$12,000/family for Out-of- Network Providers. This plan has a separate Out of Pocket Maximum of \$1,500/individual or \$3,000/family for Prescription Drugs.	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.
What is not included in the <u>out-of-pocket</u> <u>limit?</u>	Prescription Drugs, Services deemed not medically necessary by Medical Management and/or Anthem, Penalties for noncompliance, Premiums, balance-billing charges, and health care	Even though you pay these expenses, they don't count toward the out-of-pocket limit.

Will you pay less if you use a <u>network</u> <u>provider</u> ?	this <u>plan</u> doesn't cover.  Yes, Blue Card PPO (or Select Network for some states). See <a href="https://www.anthem.com">www.anthem.com</a> or call (855) 593-8123 for a list of <a href="https://www.network.google.com">network</a> <a href="https://www.network.google.com">providers</a> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an out-of- <u>network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an out-of- <u>network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
